June 2026 Permission to Leave After Exam

Students may leave only after the entire class has finished the exam and only if the parent has provided a completed permission form. Students who submit this permission slip must exit the building, leave campus immediately, and provide their own transportation home; students will not be allowed to re-enter the building. All transportation must be arranged in advance.

A signed copy of this form must be submitted to the exam teacher prior to the start of their exam if the student plans to leave before 12:30 PM. **Students taking an EOC may leave early with a signed slip when their entire room is done testing.**

Additionally, students will not be allowed to hang-out on campus in areas like the media center, the gym, commons, or outdoor basketball court.

If a student does not have an exam, the student does not need to come to campus.

A separate form must be submitted each day stating that you are authorizing early release from school on the specified exam day.

Exam Schedule Clarification:

June 3-4 are regular instructional school days operating on a normal attendance and transportation schedule.

Teacher-made exams scheduled on these dates were implemented based on policy set in place.

Students should be informed by their teacher no later than June 2 if they are required to take a teacher-made final exam based on grades and attendance requirements.

As has always been school policy and procedure for regular instructional days, students who do not have a teacher-made exam to take and choose not to attend school on June 3-4 will still be marked absent.

Students who attend school on June 3-4 will continue to follow their regular class schedule, even if they do not have a teacher-made exam to take. They will STILL report to that classroom.

June 5-11 are designated state testing and exam days, including EOCs, CTE assessments, and approved make-up testing opportunities. EOC make-up and retest opportunities must remain available in accordance with NC DPI guidelines, as students may opt to retest after scores are released, which can take 24-72 hours to process.
