School Year (Upcoming) _____

Dear Conn Magnet Elementary School Families,

All students benefit from a warm and nurturing learning environment with enough structure for children to meet expectations and learn successfully. At Conn Magnet Elementary, we are fortunate to have teachers who consistently provide such a setting.

Numerous considerations must be made each year to create balanced and heterogeneous classrooms. The merits of your request and the needs of the entire grade level will be considered to create classrooms that provide the most productive learning environment for all students.

Please answer the following questions to describe your child's unique needs that require special placement considerations. **Please complete the form and email it back to our Data Manager at ncwise380@wcpss.net by July 17, 2026.**

Thank you,

John Corey, Principal
