

Carnage Values and PBIS

Carnage Magnet Middle School is a PBIS (Positive Behavioral Interventions and Supports) school. At Carnage Magnet Middle School, we show Trojan PRIDE:

Personal responsibility, **R**espect, **I**ntegrity, **D**etermination, **E**xcellence in all we do

Our Magnet Themes

As a Gifted & Talented / AIG Basics school, we cultivate and celebrate the unique qualities and needs of each learner. The Gifted & Talented program is rooted in the belief that every student has gifts and talents to be valued and nurtured. Expanded opportunities are provided through extensive elective course choices to enhance the standard curriculum. These opportunities allow students to explore and develop individual interests, gifts, and talents. The AIG Basics program provides instructional cluster grouping to identified students in language arts and/or math as well as academic challenge and acceleration.

Daily Structure

Students follow an 8-period day which includes four core subjects (English Language Arts, Math, Science and Social Studies), three elective classes, and a period of lunch and personalized learning.

Electives

Students have the opportunity to explore a wide variety of subjects and interests through our elective offerings.

Many electives are quarter-long while some are a semester or full year.

Students have the opportunity to take up to 12 electives per year. Some of the many choices may include:

Language Arts

Creative Writing, Mythology, Public Speaking and Debate, Storytelling

Social Studies

African American Studies, Around the World in 45 Days, Create a Nation, Youth and Law
