

Wake Tech CCP: How to See Your Pathways

1. Go to ccp.waketech.edu on a laptop or computer
2. Click Login at the top
3. Click Self-Service
4. Sign in using your Wake Tech email and password
5. Click Student Planning
6. Click Go To My Progress
7. Review the classes in your pathway and the maximum credit allowances for each section (click **Expand All** next to Requirements)
8. Tab between pathways if you are enrolled in multiple pathways
9. Click the link for each class to see a description and section offerings

*If you have already started taking classes through CCP and want to change your pathway, email ccp@waketech.edu to request a Pathway Change Request Form. Consider scheduling an advising appointment with a CCP advisor who can discuss your options with you and help you make the right decisions based on your goals.
