

# Timber Drive Elementary School

## Fourth Grade One-Day Inclement Weather Choice Board

**Directions for Families:** Please help your child complete **two (2) Reading activities** and **two (2) Math activities** from the boxes below. Mark the box when the activity is complete. These activities are aligned to NC Fourth Grade standards and use common household items or online tools.

---

### Reading Choice Board (ELA)

*(Aligned to NC Fourth Grade Standards: Key Ideas and Evidence, Craft and Structure)*

| Activity   | Check Off |
|--|-----------|
| <b>Two Texts, Different Views:</b> Find two different informational texts (like articles, websites, or encyclopedia entries) about the <b>same topic</b> (e.g., sharks, space, or a historical event). Discuss or write down how the authors' views or main points were similar and different. |           |
| <b>Figurative Language Hunt:</b> While reading a fiction book, find and record at least three examples of figurative language (like similes, metaphors, or idioms). Write down what the phrase literally says and what the author <i>actually</i> means.                                       |           |
| <b>Online Reading Lesson:</b> Log in to Epic or My ON. Complete a recommended Reading or ELA lesson for 15 minutes.  |           |
| <b>Super Summary:</b> Read a chapter or section of an informational text. Write a summary of the main ideas and include key supporting details from the text.  |           |

---

## + Math Choice Board

(Aligned to NC Fourth Grade Standards: Operations & Algebraic Thinking, Numbers in Base Ten)

| Activity   | Check Off |
|--|-----------|
| <p><b>Word Problem Planner:</b> Create and solve one two-step word problem that involves two different operations (like multiplication and subtraction) and has whole-number answers. Use a letter for the unknown quantity in your equation.</p>                          |           |
| <p><b>Factor Search:</b> Choose two different numbers between 1 and 50. List all the factor pairs for each number. Determine if each number is <b>prime</b> or <b>composite</b>.</p>   |           |
| <p><b>Dreambox Math Lesson:</b> Log in to Dreambox. Complete a recommended Math lesson for 15 minutes.</p>   |           |
| <p><b>Measurement Madness:</b> Find two different objects (e.g., a book and a piece of paper). Measure the length of each object using both a metric unit (e.g., centimeters) and a customary unit (e.g., inches). Then, find the difference in length for both units.</p> |           |
