Dear Parent/Guardian:

I hope the school year is off to a successful start for you and your child. I am writing this letter to let you know that our school has been designated as a Targeted Support and Improvement-Consistently Underperforming (TSI-CU) school by the North Carolina State Board of Education.

As part of the Every Student Succeeds Act (ESSA) Section 1111(d)(2)(C), schools receive the federal identification of Targeted Support and Improvement-Consistently Underperforming (TSI-CU) in North Carolina when the school's subgroup(s) performance grade is at or below the highest CSI-LP identified school, and the school's subgroup(s) is identified as TSI-CU in the identification year.

Our student subgroup that this applies to is: Students with Disabilities

This letter is to notify our parents/guardians of our school's intentions to improve educational outcomes for underperforming student subgroups and close achievement gaps for all students. During the 2025-2026 school year, our School Improvement Team will work closely with district leadership to establish a plan of action that will start in 2026-2027. We will share more details about this plan during the 2026-2027 year.

We are committed to improving student performance. It is important to remember that just as no single score or grade tells the whole story of a student, neither does it tell you everything about a school's performance or the opportunities that our school provides. The intent of receiving these designations is to improve educational outcomes for all students, close achievement gaps, increase equity, and improve the quality of instruction. We're excited about this school year and are working to make it a success for your child.
