Greetings Oberlin Families, It has been a wonderful first week back following spring break, and it is great to see our students and staff returning with such renewed energy. Since report cards came home earlier this week, it is a perfect time to reflect on third quarter progress as we head into a very busy and exciting fourth quarter. We are very excited for our upcoming Global Getaway, with more details listed below. Students will have the chance to dive into the festivities of our Global Carnival. At the conclusion of "Global Getaway," we are proud to invite the entire community to attend the first revival of our Alumni vs. Staff Basketball game—a tradition we are so happy to bring back. We truly hope you will plan to join us for the fun! In the meantime, please encourage your student to stay "all in" as we work together to ensure a focused and strong conclusion to the school year.
