Greetings Oberlin Families, It has been another fantastic week at Oberlin, and as the spring season ramps up, families are encouraged to stay well informed by reviewing the Weekly Family Communication for updates on upcoming events like Global Getaway, end-of-year testing, class registration for next year, and various celebratory events. While our staff remains dedicated to maintaining rigorous teaching and learning until the final day of school, we are also busy integrating cherished traditions and fun activities into the schedule. To ensure these events are enjoyable for everyone, please remind your students that participating in these end-of-year celebrations is a privilege aligned with maintaining positive behavior, putting forth best effort, and consistently upholding our Trailblazer expectations. Families, please note the link to the **Panorama Family Engagement survey** - we would be super appreciative for a few minutes of your time to share feedback with us.
