Greetings Oberlin Families,

May is here, and the end of our school year is looming! We are challenging each of our students to remain committed to their academic goals so that we can show a strong finish to the school year. Please take note of the WCPSS Communication that was shared with families regarding the social media trend of inserting metal items into electrical outlets and technology charging ports. At Oberlin, we prioritize the safety of our staff and students. Intentionally damaging school property or creating unsafe conditions is a serious offense and may result in disciplinary action at school as well as legal consequences under North Carolina law. Please speak with your child about the risks and consequences of participating in dangerous social media trends. Families, we enjoyed several special treats this week in honor of Teacher Appreciation Week! Super thanks to our Oberlin PTA for this kindness as we enjoyed biscuits, ice cream, and a delicious lunch. We are looking forward to a great week ahead!

– Ms. Pelton, Principal
