Resources for Students and Parents

PowerSchool

Students can receive their PowerSchool login in the media center. PowerSchool allows students to check their course progress reports, grade history, and attendance, as well as register for their courses in March of each year. Parents without a PowerSchool account can complete the request form in student services and login info will be mailed home. Parents needing their account reset will submit a request through the PowerSchool portal.

MCHS Directory

Each teacher maintains a Canvas site which contains helpful course information and assignments. These sites are especially helpful when students have to miss school. Anyone is able to view Canvas sites by visiting our Directory, locating your student's specific teacher, and clicking on their course name. The MCHS Directory, which includes teacher email addresses, is available in the our school section of the MCHS Website:
<http://www.wcpss.net/domain/5383>

Online School Payments

Junior Dues (\$40), Senior Dues (\$30), Parking passes, lunch passes, and other school fees can be paid online at the MCHS website. Juniors and Seniors are eligible to purchase parking and off campus lunch passes each year. See MCHS for forms.
