Rising 11th Grade Course Selection Worksheet

Directions (Read First):

First, check off the core subject area courses you will need to complete next (English, Social Studies, Science, and Math). Next, add up how many core subjects are courses you have selected on the first page. Some boxes include more than one course. On the remaining pages, for your remaining courses, choose electives from any of the areas. **You should select 8 courses total, including both your core subject area courses and electives**. Lastly, choose 4 alternate electives. All alternate electives **must** be different from your primary course selections!
