

Dear Parents and Families of South Lakes Elementary,

I hope you are doing well and had a wonderful start to the new year. I am writing to share important information regarding Single Subject Acceleration (SSA) for the upcoming school year.

The SSA application window **will open on January 5 and close on February 13 at 5:00 PM**. This is the only opportunity for families to sign up their child for SSA testing this school year, and no late applications will be accepted. Families may select only one subject for SSA consideration.

You may find detailed information about the SSA process on the Wake County Public Schools website using the link below:

<https://www.wcpss.net/p/~board/family-resources/post/single-subject-acceleration>

Please complete the SSA Google Form during the application window (opens January 5th):

*This information will also be shared on our school website and by your child's classroom teacher.

To further support families, I will be hosting a **SSA Information Google Meet on Thursday, January 8, from 5:30–6:00 PM**. During this meeting, I will review the SSA process and answer any questions you may have.
