Discipline and Behavior Management Policy

The WCPSS Code of Student Conduct applies to all programs operated by WCPSS and occurring on school campuses. The Code of Student Conduct is outlined in the *WCPSS Student Handbook*.

Praise and positive reinforcement are effective method of the behavior management of children. When children receive positive, non-violent, and understanding interactions from adults and others, they develop good self-concepts, problem solving abilities, and self-discipline. Based on this belief of how children learn and develop values, this facility will practice the following discipline and behavior management policy.

We:

1. DO praise, reward and encourage the children
2. DO reason with and set limits for the children
3. DO model appropriate behavior for the children.
4. DO modify the classroom environments to attempt to prevent problems before they occur
5. DO listen to the children
6. DO provide alternatives for inappropriate behavior to the children
7. DO provide the children with natural and logical consequences of their behaviors.
8. DO treat the children as people and respect their needs, desires, and feelings.
9. DO Ignore minor misbehaviors.
10. DO explain things to children on their levels.
11. DO use short supervised periods of "time-outs".
12. DO stay consistent in our behavior management program.

We:

1. DO NOT spank, shake, bite, pinch, push, pull, slap or otherwise physically punish the children.
2. DO NOT make fun of, yell at, or threaten, make sarcastic remarks about, use profanity, or otherwise verbally abuse the children.
3. DO NOT shame or punish the children when bathroom accidents occur.
4. DO NOT deny food or rest as punishment.
5. DO NOT relate discipline to eating, resting or sleeping.
6. DO NOT leave the children alone unattended or without supervision.
7. DO NOT leave the children in locked rooms, closets or boxes as punishment.
8. DO NOT allow discipline of children by children.
9. DO NOT criticize, make fun or otherwise belittle children's parents, families, or ethnic groups.

Discipline Procedures:

It is important that children respect themselves, other people and property. Discipline should be viewed in a very positive manner with appropriate activities, mutual respect, adequate planning, and consistent supervision contributing to a climate in which self-discipline can flourish.

The Coordinator will set aside time during the first week to develop and discuss guidelines, procedures and rules with the children. These will be reviewed as necessary throughout the school year.

Occasionally children will need to be removed from a situation when they cannot act appropriately. The Coordinator should be contacted to assist with these situations in order to minimize disruption to the childcare program. The student may be taken to the office or another place to regain his/her composure.

If problems with a child seem to arise frequently, the parent will be notified and a conference scheduled to discuss these concerns. Persistent and/or severe misbehavior may result in the child being withdrawn from the program.

“Time-Out”

“Time-out” is the removal of a child for a short period of time (3 to 5 minutes) from a situation in which the child is misbehaving and has not responded to other discipline techniques. The “time-out” space, usually a chair, is located away from classroom activity but within the teacher’s sight. During “time-out”, the child had a chance to think about the misbehavior, which led to his/her removal from the group. After a brief interval of no more than 5 minutes, the teacher discusses the incident and appropriate behavior with the child. When the child returns to the group, the incident is over and the child is treated with the same affection and respect shown the other children.
