Dear Parent/Guardian:

I am writing this letter to notify you that Forestville Road Elementary School has been designated as a federally identified Targeted Support & Improvement Additional Targeted Support (TSI-AT) school by the North Carolina State Board of Education.

Per the Every Student Succeeds Act (ESSA) Section 1111(d)(2), schools receive the federal identification of TSI-AT in North Carolina by having one or more of the following subgroups receive a subgroup performance grade score at or below the lowest 5% of schools across the state during the 2022-2023 academic year; and being identified as a consistently underperforming subgroup for the previous year. Subgroup performance scores are provided for the following subgroups of students: (1) Students with Disabilities, (2) Economically Disadvantaged, (3) Black, (4) White, (5) Hispanic, (6) Asian-Pacific Islander, (7) Multi-racial, and (8) English Learners.

As a designated TSI-AT school, Forestville Road Elementary is required to develop a comprehensive improvement plan that specifically addresses how the school will improve student achievement for the subgroup(s) consistently underperforming. Our comprehensive improvement plan will address the following areas:

- Standards-aligned Instruction
- Professional Learning Communities (PLCs)
- Implementation of a Tiered Instructional System
- Data-Driven Decision Making
- Student Support Services
- Family and Community Engagement

We have set the following goals for Forestville Road ES this year:

- Forestville Road Elementary School will meet or exceed the EVAAS growth targets in Math and Reading for all subgroups, including the SWD and EL subgroups, by June 30, 2026, as measured by NC EOG and WCPSS local assessments.

Here are some strategies that Forestville Road ES will be implementing to improve student outcomes:

- Provide in-class support and small group instruction to all students in reading and math
- Provide tutoring services for selected students in grades K-5
- Provide professional learning to teachers to help incorporate cooperative learning strategies that engage all students

Parent engagement is at the heart of our school improvement efforts. Here are some ways you can help:

- Call Alexis Hyatt if you have questions or concerns about your child or to set up an appointment to meet with a school staff member who will be working with your child.
- Make sure that your child is prepared and attends school each day.
- Monitor your child's homework.
- Monitor the progress your child is making and attend meetings with your child's teacher(s).
- Keep track of our website and social media sites wcpss.net/ForestvilleRoadES
- Volunteer
- Join the FRES PTA

Additionally, listed below are a few resources available to help:

- Graduation requirements: www.ncpublicschools.org/gradrequirements/
- K-12 standards in academic subjects: www.ncpublicschools.org/curriculum/
- State student achievement test results: www.ncpublicschools.org/accountability/
- N.C. School Report Cards: <https://www.dpi.nc.gov/data-reports/school-report-cards>

We are committed to improving student performance. It is important to remember that just as no one single score or grade tells the whole story of a student, neither does it tell you everything about the performance of a school or the opportunities that our school provides. The intent of receiving these designations is to improve educational outcomes for all students, close achievement gaps, increase equity, and improve the quality of instruction. We're excited about this school year and are working to make it a success for your child.
