Pathway

Elective
Options

Required for
Graduation

*AP U.S. History substitutes for American I & II. To receive credit, you must pass the course. Students also have the option to take Honors American History I & II during Junior year following an AP or Honors Sophomore elective.

*Sophomore AP Human Geography students in the 2019-2020 school year will take AP U.S. History or move to the honors American History pathway for the 2020-2021 school year.

*Students who are in the honors pathway can opt in to AP courses the following school year. Contact student services for any additional questions or concerns.
