Dear Lincoln Heights Families,

I hope this message finds you well. I am writing to share some important news with you—at last night's WCPSS School Board meeting, I was recommended and approved to serve as the principal of the new Bowling Road Elementary School.

While this opportunity fills me with excitement, it is also deeply bittersweet. Over the past few years, I have had the incredible privilege of working with your amazing children, building relationships with your families, and partnering with our dedicated staff to create a learning environment where every student is supported and encouraged to reach their full potential. Together, we've embraced challenges, celebrated successes, and remained committed to ensuring every student moves **"to Proficiency and Beyond!"**

As I prepare for this next chapter, I want you to know how grateful I am for the trust and support you have given me. Your partnership has been instrumental in making Lincoln Heights the special community it is today. I am confident that the school is positioned for even greater success in the years ahead.

My official transition to Bowling Road Elementary will take place on January 1. Until then, I remain fully committed to supporting Lincoln Heights during this time of transition. Dr. Ashlie Thompson, Southern Area Superintendent, will be hosting a family input session for the new principal, on December 10 at 6:00PM in the media center. If you have any questions or concerns, please don't hesitate to reach out.

With heartfelt gratitude,
