

Family & Community Engagement 2024-2025

This document outlines ways in which we will engage families and community members in our school's mission and vision during the 2024-2025 school year. Our [Title 1 Family Engagement Policy](#) and [Title 1 Home & School Compact](#) detail our commitment to building positive, mutually beneficial relationships with our wider school community to improve teaching and learning outcomes.

ON-CAMPUS EVENTS

Events are held throughout the school year to connect families and community members directly to our campus, resources, and each other.
