## Title I Family Engagement Policy 2025-26

We believe families are essential partners in helping every child succeed!

**Your voice matters!** To ensure families have a chance to share their thoughts about our Title I Family Engagement Policy, we will:

- Share information about what it means to be part of a Title I school at various family engagement events throughout the year.
- Provide a copy of the policy at home or post it on our school website, along with an easy-to-use feedback form that can be completed on paper, with a pencil, or electronically.

### Ways You Can Get Involved

- **Staggered Entry:** Learn about Title I programs and funding at the start of the year.
- **Policy Review:** Share your ideas to help us improve family engagement.
- **PTA Meetings:** Guide school events and activities.
- **Family Events:** Participate in parent-teacher conferences, transition meetings, awards celebrations, Donuts for Dad, Muffins for Moms, Family Night Events, and more!

### Working Together for Student Success

- Every grade level has a School–Parent Compact outlining how families and staff support learning together.

### How We Support Families

- Share grade-level expectations and learning strategies during Curriculum Nights meetings.
- Provide materials and training to strengthen student learning.
- Partner with families on MTSS/intervention plans for students' individual needs.
- Offer interpreters and translations to help families communicate with staff.

### Making Engagement Accessible

- Meetings and events at flexible times.
- Information and resources in multiple languages.
- A welcoming environment where all families feel valued and included.

**Your Voice Matters! And together, we can make Barwell Road Elementary  
a place where every child thrives!**
