OBERLIN GLOBAL STUDIES AND LANGUAGE IMMERSION MAGNET MIDDLE SCHOOL

ESTABLISHED 1955
RALEIGH, NORTH CAROLINA

GLOBAL STUDIES

Oberlin will provide **all** students with the skills and knowledge needed to become competitive and compassionate world citizens. Through a globally infused curriculum in all core classes and electives, students will learn about global themes and the United Nations' Sustainable Development Goals. **At Oberlin**, students are enrolled in unique global studies electives and language courses.

World Languages and Language Immersion

All students have the option of language instruction in **French**, **Mandarin**, or **Spanish**. Through their studies, students will have the ability to earn high school credit for the language they study. **Oberlin's** language program provides authentic language and cultural learning experiences.

-  **Elementary** Mandarin and Spanish immersion students will continue their immersion program at OMMS.
-  In **6th Grade and 7th grade**, Mandarin and Spanish immersion students will take a double-block Language Literacy and Core Social Studies Class.
-  In **8th Grade**, Mandarin and Spanish immersion students continue their Language Literacy through studies of literature, culture, writing, speaking, and grammar.
-  Upon successful completion of the Mandarin or Spanish immersion program, students can start high school with a level IV Mandarin or Spanish class.
