Policy Engagement

- There will be an opportunity at the Title I information session to learn more about our policy and provide feedback.
- Work collaboratively to engage staff, families, and community.
- In addition, a copy of the policy will be sent home with a form where feedback can be provided.

Shared Responsibilities for High Student Achievement:

- The shared responsibility expectations are reflected in our Home-School Compact.

Building Capacity for Engagement:

- The Beaverdam staff hopes to provide informational sessions throughout the year to families to support their learning. Family Academy will be held at Beaverdam with informational sessions throughout the school year. Notification for these sessions will be provided in advance of the event.
- Beaverdam staff will receive support in understanding how to partner with families, specifically in response to the Title I Family Engagement survey results.
- Share important family updates in our monthly newsletters, communicate with families through School Messenger and the school's website
- Staff will always work to find flexible times to meet with families.

Accessibility: Through building relationships with our families, we will learn how to best meet the needs for engagement of our Beaverdam Elementary family.
