

The Leader In Me Parent Survey

Dear Carroll Middle School Families,

Carroll Middle School is applying for “Lighthouse Certification” with Franklin Covey. This certification would indicate that Carroll MS has achieved a level of high-achieving implementation. We have been working hard teaching students the 7 Habits, building leadership capacity among students, and self-advocacy. Your voice is important to us. Please participate in the survey below. It will not take long. Thank you for helping us continue to improve at Carroll.
