Leadership, Drill, and Ceremonies

Aerospace Science VII

Robotics I

Aerospace Science VIII

Robotics II

All courses receive Wellness and Drill & Ceremony

Cadet Pride & Esprit de Corps

STUDENT BENEFITS

Enrollment in AFJROTC does not subject students to any military obligation and is not an accessions or recruiting program. Air Force JROTC provides its students with the tools for success after high school regardless of career path. However, there are benefits available for students wishing to pursue further military avenues:

- Qualified AFJROTC cadets who complete 2 years of the program may compete for Air Force ROTC College Scholarships.
- Qualified AFJROTC cadets are eligible for direct application to military academies under a program specifically reserved for ROTC and JROTC cadets.
- If students choose to enter military service immediately after graduation, those completing 3 years of the AFJROTC program are entitled to enlist at higher pay grades than normal enlistees.
- Students who complete 2 or 3 years of AFJROTC may receive credit for one semester or one year of college Air Force ROTC program respectively.

"Air Force JROTC is not just another course, it's a life experience!"

@SandersonNC939

The AFJROTC cadet uniform is issued free of charge. The cadet uniform is the same used by Air Force active duty, reserve, and guard personnel defending our country. WEAR IT PROUDLY, CORRECTLY AND WITH RESPECT!

Future Leaders in Training

Air Force JROTC is a continuing success story. From a modest beginning of 20 units in 1966, AFJROTC has grown to more than 900 units throughout the world, with more than 102,000 cadets. The AFJROTC program positively influences our country by helping one student at a time. Comprised solely of Air Force retirees, the AFJROTC instructor force is helping to form tomorrow's nation by educating proud and patriotic cadets—**tomorrow's leaders.**

Community Projects

In an effort to produce well-informed and helpful citizens, AFJROTC encourages its cadets to get involved in their local communities. This is one of the most interesting and fun aspects of the AFJROTC experience.

Looking For a Course to Challenge You?

The AFJROTC program at Sanderson High School is grounded in the Air Force core values of integrity first, service before self, and excellence in all we do. The curriculum emphasizes the Air Force heritage and traditions, the development of flight, applied flight sciences, military aerospace policies, and space exploration.

Curriculum opportunities include:

- Academic studies
- Character education
- Life skills education
- Leadership opportunities
- Team-building experiences
- Aerospace studies
- Field trips / training opportunities

Goals:

Instill Cadets With:

- Good Citizenship Values
- Service to Community & Nation
- Personal Responsibility & Self-Discipline
- Sense of Accomplishment

Co-Curricular Activities

Co-curricular activities are an important part of Sanderson's JROTC program. They serve to augment AFJROTC classroom and Leadership Education requirements. Cadets participate in summer leadership school, drill meets, field trips, parades, military ball, dining-In, Raiders program, and the Kitty Hawk Air Society program.
