

HAVE YOU
EVER THOUGHT
OF STUDYING

AUTOMOTIVE SYSTEMS TECHNOLOGY?

If you graduate from a Wake County high school and plan to attend Wake Tech Community College, you could win a **\$5,000 scholarship** and a **toolbox allowance!**

Sound interesting? Ask your guidance counselor or career development coordinator for more details about the **Advance Auto Parts Foundation Future Technicians Program Scholarship**.

Classes in the brand-new **Hendrick Center for Automotive Excellence** at Wake Tech begin in August for the two-year associate degree program.

All submissions are due by March 31st, 2025!
