FACULTY ANNOUNCEMENTS

Here is the weekly message for our families

CAPS FOR THE COMMUNITY
2025 QOH CHARITABLE CAMPAIGN
 BENEFITING

The Green Chair Project

There's no place like home. Today, **1 in 30** Wake County students do not have a bed of their own making restful nights few and far between. **That's ~71 Broughton students.**

Additionally, **95,200** Wake County residents live below the federal poverty line and cannot afford basic household furnishings.

The Green Chair Project provides furnishings & housing essentials to families transitioning into stable housing, those experiencing crisis, and those suffering from natural disasters.

Together, we can help furnish homes and change lives in Wake County.

Caps For The Community Club

Queen of Hearts at Broughton started in 1941 as a fundraiser for the war effort. The CAPS For The Community Club is reinstating the giving aspect of this honored school tradition. This year our student body has voted to support **The Green Chair Project**. Our goal is to get full school involvement and raise \$17,500 in support of their mission to help furnish homes and change lives in Wake County.

Thank you for your dedication to BHS students and for helping to support this year's campaign. Scan to donate.

STUDENT ANNOUNCEMENTS [GENERAL]

We are thrilled to share an incredible opportunity for Wake County African American high school students to participate in the **2025 ACT-SO Competition! ACT-SO (Afro-Academic, Cultural, Technological, and Scientific Olympics)** is a prestigious NAACP program that inspires, supports, and recognizes high academic and cultural achievements among African American students. The 2025 local ACT-SO Competition will take place in April in Raleigh, and gold medalists will advance to the National ACT-SO Competition in July, hosted in Charlotte, NC. National medalists have historically earned scholarships, iPads, AirPods, and more! ACT-SO features 31 categories spanning STEM, humanities, business, performing arts, and visual arts. Since its inception, nearly 300,000 students have participated nationwide. For over three decades, ACT-SO has been dedicated to preparing, recognizing, and rewarding youth of African descent who demonstrate exceptional scholastic and artistic talent.

To kick off this year's program, **the Raleigh-Apex NAACP will host a virtual ACT-SO Orientation/Kick-Off Activity on Sunday, February 2, 2025, at 2:00 PM.** To join the Kick-Off or request more information, please email ralapexactso@gmail.com for the meeting link.

Important Dates:

- **Application Deadline: March 31, 2025 (to allow students ample preparation time).**

- **Submission Instructions:** Completed applications should be scanned and emailed to ralapexactso@gmail.com. To learn more about ACT-SO, please visit naacp.org/act-so/.

STEP is a chance for **rising high school seniors [Current Juniors]** to experience the best of what the Wilson College of Textiles and NC State have to offer. During one of five weeks in the summer of 2025, students will have the opportunity to meet faculty, staff, current students and alumni while exploring textiles through projects, workshops and other activities. Students will live in our residence halls, eat in our dining halls and see what it's like to be a college student. STEP will take place during the following weeks:

- Week 1: June 8 – 13
- Week 2: June 15 – 20
- Week 3: June 22 – 27
- Week 4: July 6 – 11
- Textile Pioneer Week: July 13 – 18 (Students from Tier 1 and 2 counties only)

Each student has the opportunity to rank their level of interest in one of the subject areas below and will complete a project pertaining to that subject.

- Fashion Design
- Textile Engineering and Technology
- Business Management
- Textile Design
- Polymer Chemistry

The STEP application opened on January 1 and will close on April 15. If you have any students interested, please invite them to apply here. Scholarship opportunities are available for those with financial need. If you have any questions, please reach out to our summer programs team at tex-summer-programs@ncsu.edu.

Senior Ad Extension! That's right! The deadline has been extended to Jan. 31st. Have your ads in by Jan. 31st! At that point it is final! Thank you for all your support of our program!

Summer Study in Oxford and Cambridge & New York: Programs offer students in grades 8-to 12 the chance to spend a week, two weeks, or four weeks challenging themselves intellectually in traditional disciplines, such as Economics, History, Literature, Politics, or Speech and Debate, as well as in subjects that are less commonly offered to school-age students, such as Aerospace Engineering, Architecture, Business, Engineering, Law, or Musical Theater, to mention but a few of the 150+ options on offer.

Summer programs in Barcelona and Paris offer intensive Spanish and French language classes at all levels, from beginner to advanced and even fluent. They also offer academic courses in Spanish and French, such as *Cultura y cocina*, *Relaciones internacionales*, *Histoire de l'art*, and *Paris: Ville imaginaire* not to mention the wide array of academic and creative courses in English. Whether they choose to join us in England, France, Spain, or the US, our students will experience university-level courses that use the extraordinary cities in which they take place as classrooms. They will also have the chance to engage with the venues through our extensive activity programs and, of course, to connect with like-minded students from over 80 countries. For more information, visit info@bridgeprograms.com, or call +1-212-932-3049

Sewanee has a wide range of opportunities for high school students looking for early first-hand experience working with college professors or even living on a college campus.

The **University of Chicago** hosts 600+ students each summer on their campus for their one-week enrichment programs. Students take college classes, attend admissions workshops, stay in their residence halls, meet peers from all over the world, and explore the city of Chicago. Select enrichment programs are free of cost to students who qualify. Learn more at www.summer.uchicago.edu.

3 Week Immersion: Through labs, discussions, field observations, and other hands-on activities, students immerse themselves within a specific topic through these three-week-long undergraduate level intensive courses designed for pre-college students by UChicago faculty and instructors. Course subjects include American politics, biotechnology, developmental psychology, economics, philosophy, physics, and more.

2 Week Career Insight: New! New programs designed to connect academic areas of study with professional pathways for students. Through readings, group projects, site visits, and conversations with industry experts and alumni, students can explore how to pursue careers in healthcare, business and entrepreneurship, law, or technology.

1 Week Enrichment: Whether it be leadership, civil discourse, or quantitative analysis of complex problems, each program will advance and enhance skills that students can apply to their studies in high school, college, and beyond. All of our enrichment programs provide financial aid and workshops and panels designed to help students learn about highly selective institutions.

Immerse yourself in subjects you love for two weeks this **Summer at Smith College**.

Day in the Life

It's not all work—you'll have plenty of freedom and fun too. When you're not in class, you'll be living the college life—walking around campus, grabbing food with friends, and spending time downtown, just like a Smith college student! One Precollege student shared, "I loved the freedom, nature, all the people that I met. Literally everything. It was the perfect balance of college life, learning, and exploring." See for yourself this summer at Smith. **Our mailing address is: 30 Belmont Avenue, Northampton, MA 01063**
