**CAPS FOR THE COMMUNITY**  
**2025 QOH CHARITABLE CAMPAIGN**  
 BENEFITING

**The Green Chair Project**

There's no place like home. Today, 1 in 30 Wake County students do not have a bed of their own making restful nights few and far between. **That's ~71 Broughton students.**

Additionally, **95,200** Wake County residents live below the federal poverty line and cannot afford basic household furnishings.

The Green Chair Project provides furnishings & housing essentials to families transitioning into stable housing, those experiencing crisis, and those suffering from natural disasters.

Together, we can help furnish homes and change lives in Wake County.

**Caps For The Community Club**

Queen of Hearts at Broughton started in 1941 as a fundraiser for the war effort. The CAPS For The Community Club is reinstating the giving aspect of this honored school tradition. This year our student body has voted to support **The Green Chair Project**. Our goal is to get full school involvement and raise \$17,500 in support of their mission to help furnish homes and change lives in Wake County.

Thank you for your dedication to BHS students and for helping to support this year's campaign. Scan to donate.

Day in the Life

It's not all work—you'll have plenty of freedom and fun too. When you're not in class, you'll be living the college life—walking around campus, grabbing food with friends, and spending time downtown, just like a Smith college student! One Precollege student shared, "I loved the freedom, nature, all the people that I met. Literally everything. It was the perfect balance of college life, learning, and exploring." See for yourself this summer at Smith. **Our mailing address is: 30 Belmont Avenue, Northampton, MA 01063**
