

# FEBRUARY NEWSLETTER

## Character Trait of the Month

LEADERSHIP- helping others, making good choices, and doing the right thing even when it's hard.

### Class news

- Report cards will go home once students return to school
- **Lodge Day is coming soon-** Lodge day is a school wide celebration for behavior. Check in with your child to see if they earned enough Beaver Bucks to attend Lodge Day!
- Please send in extra hand sanitizer, clorox wipes, and tissues if you can. Much appreciated.

### Upcoming events

**Lodge Day**-check in with your child to see if they earned enough Beaver Bucks to attend Lodge Day!

**February 16**- IN PERSON school day

**February 20**- RBMS Band Visits

**February 24**- Math NCCI Benchmark B

### Looking Ahead:

**March 18**- Jackie Robinson Play

**March 26**- Science Night

### To-do

- Communicate concerns with your child's teacher
- Help your child study

### What we're learning

#### Math

Students will work on adding and subtracting decimal numbers using models and standard algorithm. Students will also work on adding and subtracting fractions with different denominators using models.

#### Literacy

Students read informational texts about Jackie Robinson to explore the factors that contributed to his success and how interactions between people and events shaped his impact. They also examine how athletes can create social change. Skills practiced include identifying main ideas, summarizing, and comparing and contrasting.

#### Science

Students learn about daily and seasonal weather, how it is different from climate, and what affects it, such as temperature, wind, and precipitation. They use tools and data to track weather and find patterns over time. Students also compare weather and climate in different places around the world.
