Learning Focus

*Story book review (have your child show you the front, back, spine, title of the book) Ask your child "What does the Author do?" "What does the Illustrator do?" We have been practicing this daily during story time.

*Letter sounds (say the sounds of the letters in your first name or a family member name)

*How can I help you feel better? (we have been discussing ways that can help us feel better when feeling sad, angry, frustrated, scared). These are some examples: hug, high five, fist bump, drawing, reading, puzzle, Cozy area

REMINDERS

***Bring in a water bottle for your child daily and a snack**

***Make sure your child has extra clothes at school for the new season**

***Check your child's folder daily for any updates or artwork to keep home**
