## Special Olympics

Thursday, April 16 @ 10:00-12:00

**Join us!** Plan to check in early at the front office—bring photo ID. We will meet you outside on the basketball court just after 10:00 to finish our parade around the track together. Your child will also be paired with a LodgeLeader buddy to help them participate.

**Shirts** Your child will change into their team shirt at school that morning.

**Sunscreen** If you would like for your child to wear sunscreen, please put it on them before they come to school or plan to put it on them yourself if/when you come—we are unable to apply sunscreen without a 1702 form from a doctor. Hats & sunglasses are encouraged.

Reach out with any questions!

## Miracle League

In need of a spring activity outside of school? Check out the [Miracle League of the Triangle](https://www.mltriangle.com/) (<https://www.mltriangle.com/>). They offer opportunities for all kids to play baseball on a team!

On a team? Please share your schedule so we can join your cheering section.

If you are able and would like to donate supplies to the IDS classrooms, we can always use more:

Free/clear laundry detergent    Size large gloves    Chux under pads    hand sanitizer    tissues

## London Marathon

Caroline's mom, Edith Veremu, will be running in the 2026 London Marathon in April! She is raising money to support Sense UK, a nonprofit that supports children like Caroline. Her goal is to raise £2,300 (roughly \$3,100) leading up to race week. If you are interested and able, please see her [fundraising information](#) or reach out with questions.
