

Get to know Mrs. Mangus:

Hi! My name is Cynthia Mangus and I teach Kindergarten at Green Hope Elementary School. This is my 15th year teaching Kindergarten, and I absolutely love it! I went to school at SUNY Fredonia where I acquired my degree in Early Childhood Education. I taught pre-school for one year after college before moving to North Carolina. I have been blessed to work in this great community for so many years. I am married, and my husband and I have a daughter named Loralynn. It is truly a joy to be able to meet and teach so many wonderful children.
