

Carnage Magnet Middle School School Communication Structures

Application Name & Link to WCPSS Information	Function	Additional Information
Infinite Campus Student Login to IC	Houses all student information data for the district/state; feeds data for all other applications that connect to Infinite Campus	It is important that all information in Infinite Campus is accurate in order to promote positive two-way communication between home and school. Address, phone number, email, and emergency contact changes should be made promptly with the school's Data Manager
Infinite Campus Parent Portal (Campus Parent)	Provides parents with their own account to access student information in Infinite Campus including grades, attendance, test scores, transportation, etc.	All students have an Infinite Campus account. Parents can request their own account from the Data Manager. Parents can utilize the browser version and/or the app with their own login credentials
School Messenger ("Trojan Messenger" for Carnage Magnet Middle)	Sends messages from the district and/or school directly to families using the contact information in Infinite Campus	These messages can be phone calls, emails and/or text messages. If you are not receiving school messengers, please check your contact information with the Data Manager
Talking Points	Allows teachers to communicate with parents via text message or mobile app in over 100 languages	Talking Points syncs with the contact information in Infinite Campus. If you are not receiving Talking Points messages, please check your contact information with the Data Manager
WakeID wakeid.wcpss.net	Houses all WCPSS applications in one location for easy access and sign-on for students (and staff)	Students who need help with their WakeID login/password should see a school staff member
Canvas	Universal Learning Management System (LMS) for WCPSS; Provides access to instructional materials, resources, communication, etc. from the teacher of the course	Students will see the Canvas courses they are enrolled in on their Canvas dashboard. Parents can create an observer account by contacting the teacher
WCPSS Student Email by Outlook	Provides an electronic communication system between students and staff that meets the WCPSS Board Policy: Technology Responsible Use	Student email is accessed through the WakeID portal and the Outlook icon. Students who are having trouble with email should see a school staff member
