

# LEARN ABOUT IB AT BROUGHTON!

## IB DIPLOMA PROGRAMME STUDENT PANEL PRESENTATIONS FOR 10th GRADERS

- Are you a 10th grader curious about the International Baccalaureate (IB) Diploma Programme?
- Join current IB 11th and 12th graders to hear what the program is really like—academics, balance, challenges, and opportunities—and to help you decide if IB is the right fit for you.

### WHY ATTEND?

- Hear honest perspectives from current IB Diploma Programme students
- Learn how students balance coursework, activities, and life outside school
- Get advice for preparing now for junior and senior year—and for opportunities after high school
- Find out about additional opportunities to learn more about IB
- Prepare for course registration
- Ask questions in a relaxed, supportive environment

### WHEN & WHERE

Location: Dr. Carson's Classroom (**Room 162**)

Time: During **CAPS Connection**

Choose any of the following **dates**:

- Thursday, January 15 (A Day)
- Wednesday, January 21 (B Day)
- Thursday, January 29 (A Day)
- Thursday, February 12 (A Day)
- Friday, February 20 (B Day)
- Wednesday, February 25 (A Day)

### FURTHER DETAILS

- Students must **sign up in AllTimely** in order to attend
- **Open to all 10th graders** at Broughton Magnet High School
- The student panel presentation is strongly recommended, but it is not required
- **There will also be a mandatory course registration meeting for future IB students with Mr. Quinn or Dr. Brooks; dates options will be posted in early 2026**
