Dear Families,

This message is to request your support in re-launching our PTA. Effective partnerships with families have always been essential to school success, and that is more true today than ever before. Families and schools must work together on the shared goal of providing the best for our children.

The mission of the National PTA is “to make every child’s potential a reality by engaging and empowering families and communities to advocate for all children.” We get to carry out this mission in our own way. A group of volunteers that includes family members from Bugg and members of the Wake PTA Council has a plan to resume and grow the work of the Bugg PTA. You can help in the following ways:

1. **[Join the BUGG PTA](#)**. Members are critical to every PTA. Without members, the Bugg PTA cannot exist. Our members will elect leaders to coordinate the work of the organization.
2. **Share your input**. At the first meeting on February 2, 2021 at 6:00 pm, we want to know what you want to see the PTA do. Sharing input ensures the PTA will focus on what the Bugg school family values.
3. **Vote**. Officers will be elected at the first meeting on February 2, 2021. Below is a slate of candidates for the offices of the Bugg PTA. Additional nominations will be accepted from the floor (from members) during the meeting.
4. **Approve the PTA budget**. Once we have chosen our officers, they need an approved budget to begin activities/programs. The PTA Board will use your input to draft a budget. We will have another PTA meeting on February 18, 2021 at 6:00 pm to share a proposed budget members will review and vote on.

All meetings will be online. We will send links to PTA members the day before each meeting to reduce the chance that a stranger will attempt to disrupt them. Since there will be anonymous voting in the two meetings, the links will be sent to members who have [joined the PTA](#).

We have an exciting opportunity to work together to shape the Bugg PTA in new and creative ways to adapt to our new structure. I look forward to reimagining the Bugg PTA with you!

Sincerely,
Annice H. Williams, Principal
