Classroom Instruction

The Driver Education classroom program is a minimum of 30 hours of classroom instructions requirement. There is a minimum class size of 25 students and a maximum of 35 students. The class schedule is normally 3 hours per day for 10 scheduled school days after school hours. During the summer, class schedule is normally 6 hours per day for 5 scheduled days. All cell phones and any other devices by students MUST BE OFF during driver education program.

Eye Examination

DMV representative is scheduled to visit Middle Creek during one of each classroom sessions to perform a screening for student's vision and medication. If a student receives a medical or vision form from a DMV representative to take to your doctor, the student must visit his/her doctor and return the paperwork to the Driver Education department. A student may be required to revisit the DMV representative at school. Students cannot drive until all vision and medical paperwork is completed and signed by DMV representative

Behind the Wheel Training

Once all classroom requirements are completed, students will be assigned a driving instructor to schedule your behind the wheel driving training. The behind the wheel instructor is responsible for calling and scheduling students to drive. When called, please remember to write down your driving instructor's name and number, driving schedule, place to meet and to be picked up. You must provide your own transportation to and from driving sessions. All cell phones and any other devices by students MUST BE OFF in the car during driver training. Please be patient as we attempt to train students as quickly as possible.

Additional information

For additional information, a message may be left for the lead teacher, who will return the call as soon as possible. You may also visit Jordan Driving School web site at jordandriving.com. On the website you will find general information, email addresses for the lead teachers, specific classroom dates and a list of additional classes that might be available. For Behind the Wheel questions or information specific to your school, contact your lead teacher.
