Dear Parent/Guardian:

I am writing this letter to notify you that Carroll Middle School has been dually designated as both a North Carolina Low-Performing school and a federally identified Targeted Support & Improvement Additional Targeted Support (TSI-AT) school by the North Carolina State Board of Education.

As defined in G.S. 115C-105.37: “The State Board of Education shall identify low-performing schools on an annual basis. Low-performing schools are those that earn an overall school performance grade of D or F and a school growth score of "met expected growth" or "not met expected growth" as defined by G.S. 115C-83.15.” Legislation (G.S. §115C-83.15) passed during the 2013 long North Carolina General Assembly session provides parents with an additional measure of school performance in the form of School Performance Grades. Beginning with the 2013–14 school year, the annual North Carolina School Report Cards display a letter grade of A, B, C, D, or F for each school in the state.

School Performance Grades are based 80 percent on our school’s achievement score (student proficiency) and 20 percent on students’ academic growth. At Carroll Middle School, our achievement score for the 2022-2023 school year is based on how well our students performed on Grades 6-8 Mathematics, Grades 6–8 English Language Arts/Reading, 8 Science, and NC Math 1. Carroll Middle School received a School Performance Grade of D and a growth designation of Met for the 2022–2023 school year.

In addition, per the Every Student Succeeds Act (ESSA) Section 1111(d)(2), schools receive the federal identification of TSI-AT in North Carolina by having one or more of the following subgroups receive a subgroup performance grade score at or below the lowest 5% of schools across the state during the 2021-2022 academic year; and being identified as a consistently underperforming subgroup in 2019-2020.

Subgroup performance scores are provided for the following subgroups of students: (1) Students with Disabilities, (2) Economically Disadvantaged, (3) Black, (4) White, (5) Hispanic, (6) Asian-Pacific Islander, (7) Multi-racial, and (8) English Learners.

As a dually designated TSI-AT and NC low-performing school, Carroll Middle School is required to develop a comprehensive improvement plan that specifically addresses how the school will improve student achievement. The plan will also include strategies that our district or charter will employ to support Carroll Middle School’s improvement efforts. The comprehensive improvement plan will address the following areas:

We have set instructional goals for Carroll Middle School this year. We have strategies that Carroll will be implementing to improve student outcomes.

Also, parent engagement is at the heart of our school improvement efforts. Here are some ways we can work together:

- Ensure that both you and your child know the academic expectations set for your child this school year. A list of learning objectives in student-friendly language is available from your student's teacher(s).
- Call Carroll at 919-881-1370 if you have questions or concerns about your student or to set up an appointment to meet with a school staff member who will be working with your child.
- Make sure that your child is prepared and attends school each day.
- Monitor your child's homework.
- Monitor the progress your child is making and attend meetings with your child's teacher(s).

We are committed to improving student performance. It is important to remember that just as no single score or grade tells the whole story of a student, neither does it tell you everything about a school's performance or the opportunities that our school provides. The intent of receiving these designations is to improve educational outcomes for all students, close achievement gaps, increase equity, and improve the quality of instruction. We're excited about this school year and are working to make it a success for your child.
