

December 2023

Dear Parent/Guardian:

As a parent/guardian of a student in Wendell Elementary School I am writing this letter to let you know that Wendell Elementary School has been designated as a Targeted Support & Improvement Additional Targeted Support (TSI-AT) school by the North Carolina State Board of Education. As stated in ESSA Section 1111(d)(2), North Carolina had to identify schools for targeted support and improvement. TSI-AT schools in North Carolina are those that have a subgroup that is under-performing. Our only subgroup that did not meet or exceed growth last year is our Students with Disabilities subgroup. The intent of this opportunity is to improve educational outcomes for all students, close achievement gaps, increase equity, and improve the quality of instruction.

As a TSI-AT school, Wendell Elementary School is required to develop a comprehensive plan that specifically addresses how the school will improve student achievement. The plan will also include how our district will support us and monitor the progress of our school. The comprehensive plan will address the following areas:

- Classroom Management
- Standards-Aligned Instruction
- Professional Learning Communities (PLCs)
- Instructional Leadership
- Recruitment & Retention of Effective Teachers
- Support for Grade to Grade Transitions
- Implementation of a Tiered Instructional System
- Data-Driven Decision Making
- Student Support Services
- Family and Community Engagement

We have set the following goals for Wendell Elementary School this year:

- *All subgroups of students will meet or exceed expected growth for 2023-24.*

Our students need to experience higher achievement levels, but it will require hard work on the part of staff, students and families. Here are some strategies Wendell Elementary School will be implementing:

- *Adjusting core instruction to meet the needs of all students*
- *Providing strategic and intensive interventions*
- *Building positive relationships among students and staff*

Parent engagement is at the heart of our school improvement efforts. Here are some ways we can work together:

- Make sure that both you and your student are aware of academic expectations set for your student this school year. A list of learning objectives in student-friendly language is available from your student's teacher(s).
- Contact your child's teacher if you have questions or concerns about your student or to set up an appointment to meet with a school staff member who will be working with your student.
- Make sure that your student is prepared and attends school each day.
- Monitor your student's homework.
- Monitor the progress your student is making and attend meetings with your student's teacher(s).
- Keep track of our website and social media sites <https://www.wcpss.net/wendelles>.
- Volunteer.
- Join the WES PTA.

Sounds like a lot but preparing our students so that they can succeed is not easy and is a group effort. Here are some resources available to help:

- K-12 standards in academic subjects: www.ncpublicschools.org/curriculum/
- State student achievement test results: www.ncpublicschools.org/accountability/
- N.C. School Report Cards: <https://www.dpi.nc.gov/data-reports/school-report-cards>

We're excited about this school year and are working to make it a success for your student. If you have questions about the content of this letter, please contact Dana Dougherty-Primiano, Principal.

Sincerely,

Dana Dougherty-Primiano, Principal
