Visit from Pepper with RobotLAB Raleigh

RCMMS had an incredible experience with [RobotLAB Raleigh](#) exploring the future of robotics and technology! They met Pepper, a semi-humanoid robot designed for human interaction. They observed Kettybot, an innovative delivery robot, and they interacted with Marty the Robot, a fun and accessible tool for learning STEM.

Boys Basketball Team

Congratulations!
Co-Conference Champions!

Nat'l Counseling Week

We are grateful for our counselors who guide students and families daily.

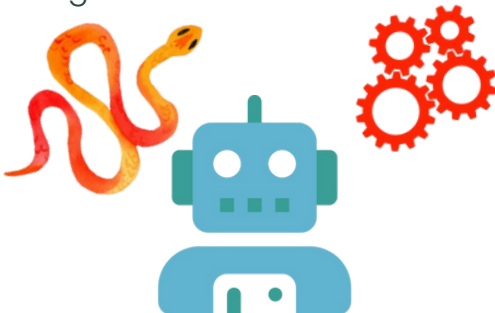

RCMMS Band

We hosted Reedy Creek Elementary and Kingswood for **Arts at the Creek**

WELCOME EVENT

Reedy Creek Magnet invited the 2025-26 new families for a floating event last week. We are proud to share that we will have the largest incoming 6th grade class since 2019.

STUDENT TRANSFER

The student transfer window opened on March 3. If you know a family in the applicant pool waiting for the 2nd round for lottery applications, please encourage them to apply for a [transfer](#).

FIRST TECH CHALLENGE (FTC)

Congratulations to our FTC teams for finishing their season strong. **Bots by the Creek** won 2nd place in the Motivate Award and the Design Award at 2 different tournaments. **The Boltiverse** received 2nd place for the Think Award at SE Guilford MS. They also were the winner of the Connect Award at the Contentnea-Savannah K-8 Qualifying Tournament.

STUDENT CELEBRATIONS

Anubhav H., an 8th grader at RCMMS, competed with his cricket team at a tournament in Florida. They won all 3 league games and they won in the finals as well.

Congratulations, Anubhav, to you and your team!

Share your student's celebrations with Ms. Long, belong@wcpss.net

Animal Science

#1 reason why this is our most requested elective..."holding days"
