MEET THE TEACHER

We look forward to seeing families Friday August 23 from 1-3 PM for Meet the Teacher. This is only for students in grades 1-5. Kindergarten Meet the Teacher will be held August 30 from 1-2 PM.

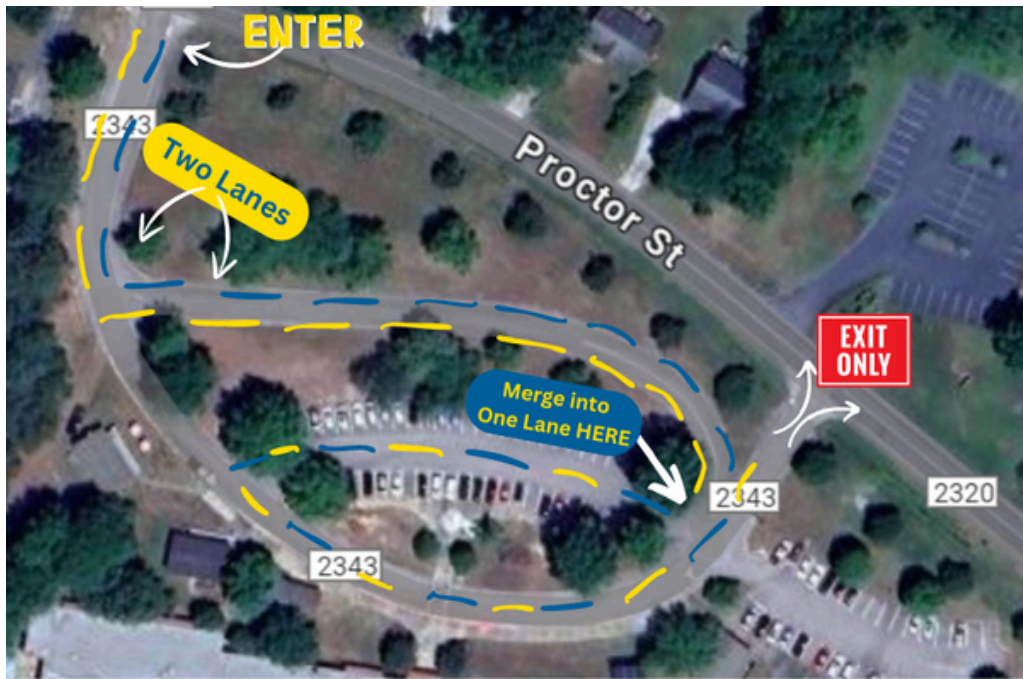

🎉 We're thrilled to announce that Zebulon Elementary has been named a Nationally Certified Demonstration Magnet School! This recognition highlights our commitment to excellence, diversity, and innovation. 🌟 #certifieddemonstrationmagnetschool

Project Elevate :

Project Elevate is the grant our school received last year from Magnet Schools of America. Our school will receive over 2 million dollars over a five year period to support with branding, marketing, student recruitment efforts, and updating our magnet theme.

This year we are adding design thinking and STEM to our magnet theme as we continue to offer the GT magnet offerings. Our staff is excited to begin implementing design thinking and STEM as measures to increase student engagement.

Cars will enter the school at the first right turn into the school. Cars will enter the carpool area in two lanes and merge into one lane when they enter the teacher parking lot. This keeps traffic moving on Proctor Street and keeps everyone safe.
