## FAST START

### BOY TRAINING

Complete BOY annual training asap. All training should be done by September 30. Make sure to complete the annual training acknowledgement form.

### VARIQUEST TRAINING

Many of you have asked about training for our new Variquest Letter Cutting machine. There are not any trainings, but if you spend 5 minutes playing with it, you will have all you need.

## EXTENDED CARE

The plan is to have extended care ready to begin at 3:30 PM next Tuesday. Thank you to everyone as we work through week 1 snags.

## NEWS

### WCPSS LEARNING PLAN

Our instructional blueprint will align with the WCPSS Learning Plan. Our school focus for the year will be on Level 2 - High Yield Instructional Strategies. These strategies include many of the protocols and strategies already in EL. More is coming about the Learning Plan.

## FAST START

### POSTER PRINTER

Reach out to Mrs. Shirley if you need to print a color poster. Be mindful that the ink is very expensive as you determine your poster needs.

### CARPOOL AFTER SCHOOL

We do not have an extended care program to support carpool students. Late carpool students must wait with his/her teacher until the parent arrives. Do not send students to the office. Office staff leaves at 3:30 and 4:00 PM.

## EXTENDED CARE

The plan is to have extended care ready to begin at 3:30 PM next Tuesday. Thank you to everyone as we work through week 1 snags.

## NEWS

### LUNCH NUMBERS

Teachers, please create a system for your students to either learn their lunch numbers or print their numbers out in the younger grades to ensure that the lunch line moves smoothly.
