Green Leadership and World Languages Magnet Elementary has been named a 2025 Top Magnet School of Excellence by Magnet Schools of America, the national association for magnet and theme-based schools.

The curriculum alignment of Green's leadership and world languages themes guide teachers in authentic learning tasks, cultural activities and project based learning to engage students in rigorous daily core instruction. Daily cognitive challenge and cultural enrichment make Green leaders prepared to be global leaders now and in the future.

Presentation of Excellence Award:

Mrs. Blake will be recognized and receive a National Magnet School of Excellence Merit Award on behalf of the school during an awards ceremony held during Magnet Schools of America's National Conference on April 7-10, 2025, in Nashville.

Magnet School of Excellence Awards are only given to a select group of magnet schools. Schools of Excellence are eligible for consideration to receive monetary awards and are eligible for consideration to be named the nation's top Elementary, Secondary, or New & Emerging Magnet School. One of the Schools of Excellence will also be selected to win \$5,000 and the Dr. Ronald P. Simpson Distinguished Merit Award, which is considered the most prestigious magnet school award in the nation.

To receive a national merit award, members of Magnet Schools of America must submit a detailed application that is scored by a panel of educators. These schools are judged and scored on their demonstrated ability to raise student academic achievement, promote racial and socioeconomic diversity, provide integrated curricula and instruction, and create strong family and community partnerships that enhance the school's magnet theme.
