ELIGIBILITY REQUIREMENTS

To represent your school in athletics, you:

- Must be a properly enrolled student at the time you participate, must be enrolled no later than the 15th day of the present semester, and must be in regular attendance at that school.
- Must not be convicted of a felony in this or any other state, or adjudicated as a delinquent for an offense that would be a felony if committed by an adult in this or any other state.
- Must have had at least 85% attendance during the previous semester.
- Must not have exceeded eight consecutive semesters of attendance nor have participated in more than four seasons in any sport (one season per year) since first entering grade nine.
- Must be under 19 years of age on or before August 31.
- Must live with a parent or legal custodian within the Wake County Public School System administrative unit. (Must notify the athletic director if not living with a parent or legal custodian.)
- Must be present 100% of the student day on the day of an athletic contest in order to participate in the event. This includes games and practices.
- Must meet promotion requirements at their school to be eligible.
- Must have earned passing grades in at least 70% of courses taken during the previous semester.
- Must maintain at least a 1.5 overall GPA.
- Must have received a medical examination by a licensed physician within the past 395 days.
- If you miss five or more days of practice due to illness or injury, you must receive a medical release from a licensed physician before practicing or playing.
- Athletes and parents must view the Concussion Education video prior to each season.
- Must not accept prizes, merchandise, money, or anything that can be exchanged for money as a result of athletic participation. This includes being on a free list or loan list for equipment, etc.
- Must not have signed a professional contract, have played on a junior college team or be enrolled and attending a class in college. This does not affect a regularly enrolled high school student who is taking a college course(s) for advanced credit.
- Must not participate in unsanctioned all-star or bowl games.
- May not participate (try-out, practice, play) at a second school in WCPSS in the same sport season.
- May not, as an individual or a team, practice or play during the school day.
- May not play, practice, or assemble as a team with your coach on Sunday.
- May not dress for a contest, sit on the bench, or practice if you are not eligible to participate.
- Must have an approved WCPSS Appeal for Athletic Participation if the student changed schools any time after initial entry in 9th grade. (this includes transfers, magnet school enrollment, returning to base school, and any other change of school without a bona fide change of residence.)

INSURANCE

The Wake County Public School System (WCPSS) furnishes an Interscholastic Athletic Insurance Policy that provides **limited benefits** for all students in the system who participate in high school sponsored and supervised interscholastic athletic activities. The policy provides excess coverage for students with other insurance coverage, but it pays only when other benefits have been exhausted. In cases in which a student has no other coverage with either a commercial insurance agency, Medicare, or Medicaid, the WCPSS athletic insurance policy is the primary policy.

If your son or daughter should be injured while participating in a high school sponsored or supervised interscholastic athletic event, the following procedures must be followed to process a claim under the insurance provided by WCPSS:

- Pick up a claim form at your school.
- See a physician within 30 days of the injury.
- Complete and submit the Accident Claim form. The claim form must be filed with the insurance company within 60 days of the injury and should include the Explanation of Benefits form from your primary insurance carrier. Please list below the name of your primary insurance carrier and policy number.

REQUEST FOR PERMISSION

We, the student's parent/legal custodian, give my consent for the above-named student to represent his/her school in interscholastic sports, **except for those sports indicated by listing here:** _____, _____, _____.

Please note: WCPSS Interscholastic Sports are basketball, baseball, cheerleading, cross country, football, golf, gymnastics, indoor track, lacrosse, soccer, softball, swimming, stunt, tennis, track, volleyball and wrestling. Weight training may be a required component of conditioning for any sport.

Athletic Participation Form

Instructions: Student Athlete and Parent/Legal Custodian must read and sign this form.

Hazing: According to WCPSS Board Policy 4309.2.17, hazing is prohibited. No group or individual shall require a student to wear abnormal dress; play abusive or ridiculous tricks on him or her; or frighten, scold, beat, harass, or otherwise subject him or her to personal indignity as a condition of inclusion in group or as a ritual associated with group membership. Hazing is prohibited even if the person hazed consents to the conduct.

Code of Sportsmanship: It is recognized that public school interscholastic athletic events should be conducted in such a manner that good sportsmanship prevails at all times. Every effort should be made to promote a climate of wholesome competition. Unsportsmanlike acts will not be tolerated. A player is under the coach's control from the time he/she arrives at the athletic field until he/she leaves the field. The penalties listed in the North Carolina High School Athletic Association Handbook will be adhered to for any athlete ejected from an athletic contest.

NCHSAA Regulations Student Athlete Pledge: As a student athlete, I am a role model. I understand the spirit of fair play while playing hard. I will refrain from engaging in all types of disrespectful behavior, including inappropriate language, taunting, trash talking, and unnecessary physical contact. I know the behavior expectations of my school, my conference, and the NCHSAA and hereby accept the responsibility and privilege of representing this school and community as a student athlete.

Parent Pledge: As a parent, I acknowledge that I am a role model. I will remember that school athletics is an extension of the classroom, offering learning experiences for the students. I must show respect for all players, coaches, spectators, and support groups. I will participate in cheers that support, encourage, and uplift the teams involved. I understand the spirit of fair play and the good sportsmanship expected by our school, our conference and the NCHSAA. I hereby accept my responsibility to be a model of good sportsmanship that comes with being the parent of a student athlete.

Football: Student athletes who are members of the school football team must read, review with parent/guardian, and sign an extra form entitled Safety List for Football Players. This form emphasizes specifics of tackling, blocking, running the ball, basic hitting (contact) position, fundamental technique, and fitting/use of equipment. This form will be available from your football coach and must be completed prior to practicing with pads.

NCHSAA Sportsmanship/Ejection Policy: We acknowledge that we, both the student and parent whose names appear below, have read and understand the NCHSAA Sportsmanship/Ejection Policy. We understand that the following types of behavior will result in an ejection from an athletic contest: fighting, taunting or baiting, profanity directed toward an official or an opponent, obscene gestures, disrespectfully addressing an official, flagrant contact, leaving bench.

- 1st ejection: One-game suspension in all sports
- 2nd ejection: Two-game suspension in all sports
- 3rd ejection: Suspended from ALL athletic competition for 365 days from date of 3rd ejection.

Transportation for Athletic Events: If student transportation is by a Wake County system-owned vehicle, the school system vehicle liability coverage is applicable to any vehicular accident. If student transportation is by private vehicle, the vehicle owner's liability coverage is applicable to any vehicular accident. Parent or adult drivers should be aware that they may be held responsible for injuries to any individuals they are transporting and must certify that any private vehicle used is covered by at least the North Carolina state required insurance coverage. All student athletes who travel with a team to an away athletic event must return to the school with the team. The only exception to this policy is when both the coach and parent/legal custodian agree that it is beneficial for the student athlete to ride home with the parent/legal custodian. Student athletes are not to ride home from athletic events with any other person.

Medical Authorization: As the parent or legal custodian of this student athlete, I grant permission for treatment deemed necessary for a condition arising during or affecting participation in sports, including medical or surgical treatment recommended by a medical doctor. I understand that every effort will be made to contact me prior to treatment. Also, permission is granted to release medical information to the school and athletic trainer or first responder.

Risk of Injury: We acknowledge and understand that there is a risk of injury involved in athletic participation. We understand that the student-athlete will be under the supervision and direction of a WCPSS athletic coach. We agree to follow the rules of the sport and the instructions of the coach in order to reduce the risk of injury to the student and other athletes. However, we acknowledge and understand that neither the coach nor WCPSS can eliminate the risk of injury in sports. Injuries may and do occur. Sports injuries can be severe and, in some cases, may result in permanent disability or even death. We freely, knowingly, and willfully accept and assume the risk of injury that might occur from participation in athletics.

Residency Requirements: The NCHSAA residency requirements state, "the residence of any student shall be deemed to be that of his or her parents or sole surviving parent. In the event the parents are separated or divorced, the residence of the student shall be that of the parent to whom custody has been awarded by a court of competent jurisdiction. No non-parental guardianship will be recognized where a student has a living parent. Any student proposed for a contest is eligible at the school to which the local board of education assigns him or her within the unit of residence of a parent or legal custodian within this state." According to WCPSS Board Policy 6201 a "legal custodian" is a person or agency awarded legal custody of a child by a court of law. The athletic director of the school must be notified of any student not living with a parent or legal custodian. No person other than a parent or legal custodian may sign off on this document.

We, the undersigned student and parent/legal custodian, certify that the home address shown on this document is our sole, bona fide domicile as provided to the Wake County Public School System's Office Student Assignment. We also agree that we will notify the high school principal immediately of any change in domicile, since such a move may alter eligibility status.

We have read the eligibility rules and this document and understand all of the requirements for athletic participation. We agree to comply with the requirements set forth in the eligibility rules and this document. All information contained in this document is accurate and correct.

Media Release: The WCPSS uses internal and external media to promote its athletic programs in a variety of ways, which may include the use of photographs or videos of student athletes. WCPSS may, for example, take a video recording of an athletic event or practice to be used by coaches to improve team performance, or by the athletics department to promote an individual school's program or highlight a certain athletic event. I grant permission for WCPSS to use my child's image for display, publication, or release in print, video, or digital media. I further understand and acknowledge that my child's image may appear on the WCPSS or individual school websites and may be released to external organizations (such as the NCHSAA) or the media.

If your child's medications, need for medical assistance, or medical conditions changes after completing this form, contact the Athletic Trainer or First Responder and provide updated health information.

Providing false information on this form may cause the student athlete to lose athletic eligibility.

Gfeller–Waller NCHSAA Student–Athlete & Parent/Legal Custodian Concussion Information Sheet

What is a concussion? A concussion is an injury to the brain caused by a direct or indirect blow to the head. It results in your brain not working as it should. It may or may not cause you to black out or pass out. It can happen to you from a fall, a hit to the head, or a hit to the body that causes your head and your brain to move quickly back and forth.

How do I know if I have a concussion? There are many signs and symptoms that you may have following a concussion. A concussion can affect your thinking, the way your body feels, your mood, or your sleep. Here is what to look for:

Thinking/Remembering	Physical	Emotional/Mood	Sleep
Difficulty thinking clearly	Headache	Irritability-things bother you more easily	Sleeping more than usual
Taking longer to figure things out	Fuzzy or blurry vision	Sadness	Sleeping less than usual
Difficulty concentrating	Feeling sick to your stomach/queasy	Being more moody	Trouble falling asleep
Difficulty remembering new information	Vomiting/throwing up	Feeling nervous or worried	Feeling tired
	Dizziness	Crying more	
	Balance problems		
	Sensitivity to noise or light		

Table is adapted from the Centers for Disease Control and Prevention (<http://www.cdc.gov/concussion/>)

What should I do if I think I have a concussion? If you are having any of the signs or symptoms listed above, you should tell your parents, coach, athletic trainer or school nurse so they can get you the help you need. If a parent notices these symptoms, they should inform the school nurse or athletic trainer.

When should I be particularly concerned? If you have a headache that gets worse over time, you are unable to control your body, you throw up repeatedly or feel more and more sick to your stomach, or your words are coming out funny/slurred, you should let an adult like your parent or coach or teacher know right away, so they can get you the help you need before things get any worse.

What are some of the problems that may affect me after a concussion? You may have trouble in some of your classes at school or even with activities at home. If you continue to play or return to play too early with a concussion, you may have long term trouble remembering things or paying attention, headaches may last a long time, or personality changes can occur. Once you have a concussion, you are more likely to have another concussion.

How do I know when it's ok to return to physical activity and my sport after a concussion? After telling your coach, your parents, and any medical personnel around that you think you have a concussion, you will probably be seen by a doctor trained in helping people with concussions. Your school and your parents can help you decide who is best to treat you and help to make the decision on when you should return to activity/play or practice. Your school will have a policy in place for how to treat concussions. You should not return to play or practice on the same day as your suspected concussion.

You should not have any symptoms at rest or during/after activity when you return to play, as this is a sign your brain has not recovered from the injury.

This information is provided to you by the UNC Matthew Gfeller Sport–Related TBI Research Center, North Carolina Medical Society, North Carolina Athletic Trainers' Association, Brain Injury Association of North Carolina, North Carolina Neuropsychological Society, and North Carolina High School Athletic Association.

Gfeller-Waller NCHSAA Student-Athlete & Parent/Legal Custodian Concussion Statement Form

Instructions: The student athlete and his/her parent or legal custodian, must initial beside each statement acknowledging that they have read and understand the corresponding statement. The student-athlete should initial in the left column and the parent or legal custodian should initial in the right column. Some statements are applicable only to the student-athlete and should only be initialed by the student-athlete. This form must be completed for each student-athlete, even if there are multiple student-athletes in the household.

Student-Athlete Initials		Parent/Legal Custodian(s) Initials
	A concussion is a brain injury, which should be reported to my parent(s) or legal custodian(s), my or my child's coach(es), or a medical professional if one is available.	
	A concussion cannot be "seen." Some signs and symptoms might be present immediately; however, other symptoms can appear hours or days after an injury.	
	I will tell my parents, my coach and/or a medical professional about my injuries and illnesses.	Not Applicable
	If I think a teammate has a concussion, I should tell my coach(es), parent(s)/ legal custodian(s) or medical professional about the concussion.	Not Applicable
	I, or my child, will not return to play in a game or practice if a hit to my, or my child's, head or body causes any concussion-related symptoms.	
	I, or my child, will need written permission from a medical professional trained in concussion management to return to play or practice after a concussion.	
	Based on the latest data, most concussions take days or weeks to get better. A concussion may not go away, right away. I realize that resolution from a concussion is a process that may require more than one medical visit.	
	I realize that ER/Urgent Care physicians will not provide clearance to return to play or practice, if seen immediately or shortly after the injury.	
	After a concussion, the brain needs time to heal. I understand that I or my child is much more likely to have another concussion or more serious brain injury if return to play or practice occurs before concussion symptoms go away.	
	Sometimes, repeat concussions can cause serious and long-lasting problems.	
	I have read the concussion symptoms listed on the Student-Athlete/ Parent Legal Custodian Concussion Information Sheet.	
	I have asked an adult and/or medical professional to explain any information contained in the Student-Athlete & Parent Concussion Statement Form or Information Sheet that I do not understand.	

By signing below, we agree that we have read and understand the information contained in the Student-Athlete & Parent/Legal Custodian Concussion Statement Form, and have initialed appropriately beside each statement.
