## Panorama Family Survey Is Open!

The WCPSS Panorama Family Survey opens on Monday April 6! This annual survey is an important data point for our school for use in school improvement processes. The goal of the survey is to learn more about you and your child's experiences in our schools, more specifically here at Holly Grove Middle. Your responses to this survey will be confidential and only reported in combination with other responses. No one will be able to see individual responses from any parent or guardian. The survey should take about 5-10 minutes. Your honest feedback is essential as we work to create the district, school, and classroom environments that are most supportive for our students. Please [use this link](#) to participate.
