**HOT Lunch Change for Monday** - We wanted to share in advance that we will be returning to a **three-lunch schedule for Monday** only due to the low number of sign-ups in All Timely this week. We have made regular announcements throughout the week to alert students to get back in the routine for signing up. Our hope is that this will be the only time we need to make this adjustment for the remainder of the school year. We will be monitoring the All Timely sign ups for

	<p>Monday and I am optimistic that we will see a good uptick in our sign up percentages so we can return to our normal HOT lunch. Please continue to encourage your student to sign up before 8 a.m. each day for that day's lunch.</p> <p><b>Carpool Dropoff and Pickup Reminder</b> - To ensure that our carpool is running efficiently, please pull all the way up to the flag pole when dropping off and picking up students. Also parents please do not drop off in the student parking lot in the mornings as this delays students from pulling into the parking lot.</p> <p>There will be a Schedule Correction window for students to meet with their counselors to make any schedule corrections. The window will be from January 12th to January 14th. Counselors will be in the media center during lunch to meet with students. It is not necessary to email your counselor about schedule changes at this time. Please just attend the Schedule Correction Sessions!</p> <p>Qualifying Reasons for Schedule Corrections:</p> <ul style="list-style-type: none"> <li>• Student has already received credit for the course.</li> <li>• Student has an incomplete schedule or too many courses scheduled.</li> <li>• Student would like an increase in rigor in the same course (Academic to Honors; Honors to AP - only if seats are available in the course).</li> <li>• Student has a class schedule out of sequence (Math 4 before Math 3, Spanish 2 before Spanish 1, etc.).</li> <li>• Student is missing a class needed for graduation.</li> <li>• Student was given an elective that they did not request.</li> </ul>
