	Grade Recovery Contract Students that earn a 58 or below on their final Quarter 1 grade will have the opportunity to complete a Grade Recovery Contract. Teachers will give students who qualify grade recovery contracts by Friday, November 7th. Parents will receive a copy of the contract and are asked to sign and return the contract(s) by Wednesday, November 12th. What is a Grade Recovery Contract? A Grade Recovery Contract (GRC) allows students who fail a course (58 or below) in Quarter 1 to recover that grade by completing assigned work and showing improvement in the next quarter. If all requirements are met by the due date of December 1st, their Q1 grade can be raised to a 60.
